Before Sterling Payee Services can apply for Representative Payee, there are a few questions that Social Security will need to verify. In order to expedite the process, please be sure to answer the following questions before applying:

- 1) Is there a family member willing to be the payee? (Note: this person cannot have been accused of taking the client's funds, or have an arrest record.)

- 2) Is there a volunteer willing to be the payee?

- 3) Is there an agency that is more local to the client's address that is available (without a waiting list) to be the payee?

If the answer to all of the above questions is no; please submit the application forms on our website by fax, mail, or to the email address on the top of this form. We will be happy to request a Social Security appointment for the intake of the application.

If you have any questions regarding the above information, or the application procedure, please call us.
